

First Adventure Learning Center would like to show parents what your children do in their daily activities. We will be making photo albums, placing them on poster boards around the daycare, and putting them on our website. All pictures will be in good taste, and can be removed at the parent's request.

Check **all** that apply:

You may use my child's photo, for group pictures on Brightwheel, within First Adventure Learning Center.

You may use my child's photo on the First Adventure Learning Center website.

You may use my child's photo on the First Adventure Learning Center's Facebook page

I prefer my child's photo not to be used within the center or on the website.
